

Instructions for Completing the Certificate of Records Destruction (RM-3 Form)

Updated: March 2013

The RM-3 documents that records were destroyed properly and in accordance with the *Virginia Public Records Act*.

Before a state agency, locality, or regional entity (hereafter referred to as “agency”) can destroy public records:

- A Records Officer must be designated in writing for your agency or department by completing a *RECORDS OFFICER DESIGNATION AND RESPONSIBILITIES* (RM-25 FORM) and filing it with the Library of Virginia.
- Records to be destroyed must be covered by a Library of Virginia-approved general or agency-specific *RECORDS RETENTION AND DISPOSITION SCHEDULE*, and the retention period for the records must have expired.
- All investigations (including requests under the *Freedom of Information Act*), litigation, and required audits must be completed, as no record can be destroyed if it is subject to one of these actions.
- The organization’s designated Records Officer and an Approving Official must authorize the destruction by signing each RM-3 form.

After public records have been destroyed:

- A responsible person must affirm that the records were destroyed by signing and dating line 9 of the form. This may be the agency staff member or representative of the company who destroyed the records or it may be an official of the agency affirming that they have the knowledge that the records have been destroyed. Either way, this is the final signature that certifies the records have **actually been destroyed**. No vendor certificates or other attachments (such as lists of records destroyed) will be accepted with the RM-3.
- A copy of the signed RM-3 form must be retained by the organization pursuant to GS-19 for localities or GS-101 for state agencies.
- The RM-3 form, with all original signatures, must be mailed to the Library of Virginia where it will be retained for fifty (50) years.
